DEPOSITS

All customers **WILL** be required to provide a security deposit of \$150.00 prior to the transfer of service.

In lieu of a deposit, the District may determine to accept an alternative deposit method as shown below:

- a) The applicant for service furnishes an irrevocable letter of credit from a bank or a surety bond;
- b) The applicant for service furnishes a letter from another public utility stating applicant has two (2) years of good account history as defined below:
 - a. No Late Charges;
 - b. No Uncollected Items;
 - c. No Returned Checks;
 - d. No Returned Bank Drafts; and
 - e. No Service Disconnects for Payment Defaults

NOTE: Deposits will **NOT** be waived if the account is for a temporary customer, realtor, rental customer or business.

BILLING

An account transfer fee based on the adopted rate schedule will be applied to the first statement. Bills are for utility service and will be rendered monthly. Bills are due when rendered and shall be considered as received by customer when delivered or mailed to utility address or some other place mutually agreed upon. Non-receipt of bills by customer shall not release or diminish obligation of customer with respect to payment thereof. Bills are due on the first day of each month, and shall be deemed delinquent if not paid on or before the last business day in the month. Utility service may be discontinued to any delinquent account after five (5) days' written notice.

PAYMENTS

For your convenience, the District currently accepts the following payment methods:

- ✓ Cash
- ✓ Check – All check payments are subject to be processed electronically through TeleCheck.
- ✓ Money Order / Cashier's Check
- ✓ Credit Card
- ✓ Electronic Funds Transfer (EFT). If you wish to elect this option to have the funds withdrawn directly from a checking or savings account, be sure to complete and return the attached authorization form.

Should you have any questions, please do not hesitate to contact our Customer Service Department at (352) 236-6869.

Sincerely,

Bay Laurel Center Community Development District

NOTICE

FOR PAYMENTS MADE BY CHECK:

Bay Laurel Center CDD reserves the right to process consumer checks electronically by transmitting the amount of the check, the routing number, account number, and check number to your financial institution. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. If we process your check electronically, your payment may be debited from your account the same day we receive your check.

In addition, when your check is processed electronically, you will not receive that canceled check with your account statement. Instead your statement will reflect the check number and payment amount with the information of "Bay Laurel Center CDD" listed on the statement which will serve as valid proof of payment. If you would like a copy of your check, please contact the office. If we cannot collect the funds electronically, we may issue a paper draft against your bank or asset account for the amount of the check.

In the event that a payment is dishonored for any reason, you authorize us to electronically re-present the item or submit a paper draft to collect the check amount and you authorize us to initiate an electronic debit from your bank or asset account, or submit a paper draft, for a returned check fee.

In order for the District to recover a portion of the cost for handling dishonored checks or bank drafts the District may charge the maker of a worthless check or bank draft a service fee of the following:

- ✓ **\$25.00** if the face value does not exceed \$50.00;
- ✓ **\$30.00** if the face value exceeds \$50.00 but does not exceed \$300.00;
- ✓ **\$40.00** if the face value exceeds \$300.00, or 5% of the face amount of the face amount of the check, whichever is greater, which is permitted by Florida state law.

WATER LOSS and CONSERVATION

Water Loss in Gallons at 60 p.s.i.

- 1/32" leak - Loss of 6,000 gallons per month
- 1/16" leak - Loss of 25,000 gallons per month
- 1/8" leak - Loss of 100,000 gallons per month

To detect water leaks, it is advisable to periodically check inside and outside faucets for dripping. A slow drip may not seem important, but lack of maintenance may impact your water bills. Please do not leave hose bibs in the on position even if a shut off nozzle is used on an attached hose.

Continuous running toilets consume a large quantity of water if not repaired.

Some ways to conserve water:

- Replace broken, missing or misaligned sprinkler heads.
- Use a bucket to catch shower warm-up water, and use it to hand-water plants.
- Tell houseguests about the need to conserve water.
- Check all toilets and faucets for leaks. Make appropriate repairs.
- Don't let water run while brushing teeth or washing dishes.
- Wash only full loads in the washing machine and dishwasher.
- Monitor your water bill for unusually high usage.
- Use a broom instead of a hose to clean your driveway and sidewalk.
- Upgrade older toilets with water efficient models.
- Put food coloring in your toilet tank. If it seeps into the toilet bowl without flushing, you have a leak. Fixing it can save up to 1,000 gallons a month.

Electronic Fund Transfer (EFT) Authorization

The easiest and most convenient way to pay your water bill!

Your water bill can automatically be paid from your U.S. Financial Institution account. You will continue to receive a regular monthly statement, but instead of writing a check, you simply deduct the amount due from your bank account balance. No more checks to write, postage for mailing, late fees charged or services disconnected for forgetting to pay or having to drop your payment off.

To Sign Up

1. Complete the following form
2. Read the terms and conditions below
3. Include a voided check
4. Continue to pay your bill as you do now until you see the words **"Bank Draft - Do Not Pay"** on the remittance portion of your statement.

Return to our Administrative Office

Terms and Conditions

Bay Laurel Center Community Development District ("the District") customers with an active checking or savings account, drawn on a U.S. financial institution, are eligible for Electronic Fund Transfer (EFT). There is no charge by the District to set up this service. However, additional charges may be assessed for automatic withdrawal transactions by your financial institution. Customers are responsible for inquiring with their financial institutions before enrollment in the plan.

Your monthly bill will continue to be sent to you by your original billing preference. **"Bank Draft -Do Not Pay"** will reflect on the remittance portion of your billing statement. Until this information prints on your bill, continue to pay your bill as you do now.

If your payment is not honored by your financial institution for any reason, it will be treated like a returned check. An insufficient (NSF) charge pursuant to state regulations will be added to your account for each occurrence of a non-paid debit. Additionally, there will be additional charges should utility service be interrupted due to nonpayment. The District reserves the right to move any account from the plan which has incurred three insufficient nonpaid withdrawals. After twelve consecutive payments are made following the removal, you will be allowed to participate back in the Electronic Funds Transfer should you choose to do so; however, you will be required to provide a new application and sufficient documentation at that time. If the District receives notification that your account is frozen or closed, you will automatically be removed from future Electronic Funds Transfers and charged the appropriate fees pertaining to the returned funds. If the removal from the Electronic Fund Transfer program was not a customer initiated request you will receive written notification of such from the District.

Payments will be withdrawn from the authorized bank account on the billing due date. If you wish to discontinue the automatic payment system the Electronic Transfer Deactivation form must be complete and returned to our administrative office.

If you discontinue service, it will be necessary for you to pay your last statement must be made by other method. Your final bill cannot be paid through electronic funds transfer.

Service Policy – Terms and Conditions

I, the undersigned (hereinafter called "Customer"), understand and agree that I am responsible for all charges for the above service requested, and will continue to be responsible for the same until such time as transfer of service is requested. Utility service is furnished upon signed application accepted by Bay Laurel Center CDD (hereinafter called "the District") and the conditions of such application are binding. Before utility service is initiated and a meter is installed, all meter installation fees, deposits, administrative fees, and all delinquent accounts of the customer being due shall be paid.

I the customer understand a connection fee in accordance with our adopted rate schedule is not refundable and will be charged on my first utility bill.

I the customer understand that if the service address is a rental property, a copy of the executed lease is required along with a signed Owner Authorization.

I the customer understand the District invoices monthly and payment is due back to the District on or before the last business day of the month. If the bill is unpaid by the due date, the account will be considered delinquent and a late fee in accordance with the District's Adopted Rate Schedule, shall be added to the amount owed the District on the following months billing.

I the customer understand that bills are due when rendered and shall be considered as received by customer when delivered or mailed to utility service address or some other billing method mutually agreed upon. Only persons with an ownership or leasehold interest in the service location shall be privileged to designate a location where the invoices may be sent. Non-receipt of bills by customer shall not release or diminish obligation of customer with respect to payment thereof.

I the customer understand that the District is not responsible for any irrigation timers, controllers, piping or other components relating to irrigation. It is the customer's responsibility to ensure the irrigation is in proper working condition and complies with the proper watering restrictions. It is further understood and agreed that the sale of water to Customer occurs at the meter, and the District has no responsibility relative to service or supplying water after said water passes through the meter. The District shall have no obligation to repair any sewer or water line unless appropriate arrangement for payment in full has been made.

I the customer understand that if I request a temporary discontinuance of service or when the District disconnects due to failure to pay delinquent utility service bills or other violations of the District's Rules and Regulations, the customer shall pay any fees associated to the discontinuance before service is restored. During a discontinuance of service, District base facility charges shall continue to accrue to the customer and the premises. When service is to be restored at the same premises, the customer, or its successor or assign (including by foreclosure or other legal process), will pay to the District all outstanding utility service bills for the premises, including the accrued base facility charge for each billing period during which service bills was discontinued, together with a reconnection of service charge and other applicable penalties.

Before rendering service, the District shall require a deposit or guarantee satisfactory to the District to secure the payment of bills for water and/or sewer, which may be or become due to the District by said Customer. Customer agrees that this deposit or any portion thereof may be applied in discharge of any indebtedness of Customer to the District. This Deposit shall not preclude the District from discontinuing for nonpayment the service covered by this Deposit regardless of the sufficiency of said Deposit to cover any indebtedness for such service.

After a residential customer has established a satisfactory payment record and has had continuous service for a period of twenty-four (24) months, the customer is eligible to request the District to refund the deposit on file provided the customer has not, in the preceding twelve (12) months; (a) made more than one late payment of the bill (after the expiration of twenty (20) days from the date of mailing or delivery by the District); or (b) paid with a check refused by a bank; or (c) been disconnected for non-payment; or (d) tampered with the meter; or (e) used service in a fraudulent or unauthorized manner. The option of an early refund due to satisfactory payment is not available to rental customers, temporary customers, businesses or realtors.

The District may require, upon reasonable written notice of not more than fifteen (15) days, such request or notice being separate and apart from any bill for service, a new deposit, where previously waived or returned, or an additional deposit, in order to secure payment of current bills; provided, however, that the total amount of the required deposit shall not exceed an amount equal to the average actual charge for water and/or wastewater service for two (2) billing periods. In the event the customer has had service less than two (2) billing periods, then the District shall base its new or additional deposit upon the average actual monthly billing available.

Customer agrees that the District, its agents or employees shall at all times have access to Utility's lines, meters and the areas where such facilities are located will be kept free of shrubbery, trees, fences, interference from pets, and other obstructions. Customer agrees that it shall hold the District, its agents or employees harmless and Utility shall not be liable for any damage or injury alleged to have occurred through Utility, its agents or employees conducting inspections and repairs to the District's lines and meters, whether such damage shall have occurred through negligence or otherwise, and whether such damage or injury shall occur to real property, persons or pets.

By the signing of this Customer's Deposit Receipt & Service Agreement, Customer confirms, acknowledges and ratifies his/her obligation to abide by all existing reasonable rules and regulations of the District and any amendments thereto. Hard copies of said rules and regulations and amendments thereto are available for inspection at the Administrative office of Utility located at 9850 SW 84th Court, Suite 400, Ocala, FL 34481 or on the District's website of www.blccdd.com
